### Beautiful Copenhagen

## The Hospital Visiting Weekend is One of the Major Events in the BVHA Calendar

The 2016 Hospital Visiting Weekend will be held in Copenhagen combining the opportunity to look at state-of-the-art veterinary hospitals with sightseeing in the beautiful capitol city of Denmark. But it is not just the bricks and mortar which make these weekends so special but also the chance to mingle with friends and colleagues and discuss the myriad of challenges, problems and solutions which contribute to the successful running of a modern veterinary practice.

So why not join us in Copenhagen and

- Spend a weekend touring veterinary hospitals and the Danish vet school.
- See how other people have tackled the problems that we all face by learning from their good ideas and from their mistakes.
- Enjoy an unmissable opportunity to glean ideas from colleagues who are planning new premises, alterations, refurbishments or upgrading to hospital status.
- Return with big ideas such as kennel layouts, or small ones such as laundry solutions.
- Take advantage of an opportunity to discuss your own practice plans and designs with other BVHA members and the officers' team.
- Obtain a certificate for 8 hours of CPD.

This should be a thoroughly pleasant and inspiring weekend and we hope that you can join us.

If you have any further queries please email to [office@bvha.org.uk](mailto:office@bvha.org.uk) or go to [www.bvha.org.uk](http://www.bvha.org.uk)

### The First BVHA Overseas Visiting Weekend

' In the spring of 1974 the Association had a very successful trip to Helsinki, at a cost of £63 per person. A visit was made to the Veterinary Faculty and to the Field Station some miles out of the city. There was a cocktail party at the British Consulate and dinner at the casino. A highlight of the trip was an opportunity for members of the party to partake in a traditional sauna. The ladies in their communal sauna slapped each other with birch twigs before plunging into the cold lake. The men did not use the birch twigs but one of the party, in the charge down the pier to the lake, was seen to hide his embarrassment under his trilby hat.'
