

The BVHA Design Awards 2021

New for 2021

President's Awards for outstanding design features, sustainability and outstanding work environment.

What are the Design Awards?

Dedicated to promoting excellence in veterinary practice and design, the BVHA's biennial Design Awards competition has proved popular and successful over the years, attracting many innovative entries. Any UK practice that has completed a building project between June 2019 and October 2021 is eligible to enter.

Categories

New Build

Start from scratch on a vacant site.

Conversion

Turn an existing building into a veterinary practice.

Refurbishment

Refurbish all or part of your practice.

To enter you will need to submit

- Your practice details including number of staff
- The types of veterinary medicine you practice
- A report emphasising your outstanding features
- 20 'before and after' photos of your practice
- Full size floor plans preferably architects' plans
- An indication of various costs incurred
