

# THE BVHA DESIGN AWARDS 2019

## What are the Design Awards?

Dedicated to promoting excellence in veterinary practice and design, the BVHA's biannual Design Awards competition has proved popular and successful over the years, attracting many innovative entries. Any UK practice that has completed a building project between June 2017 and June 2019 is eligible to enter.

## To enter you will need to submit

- Your practice details including number of staff
- The types of veterinary medicine you practice
- A report emphasising your outstanding features
- 15 'before and after' photos of your practice
- Full size floor plans preferably architects' plans
- An indication of various costs incurred

### New Build

Start from scratch on an vacant site.

### Conversion

Turn an existing building into a veterinary practice.

### Refurbishment

Refurbish all or part of your practice.
